INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF ALICID ORAGANIC INDUSTRIES LIMITED REPORT ON THE STANDALONE FINANCIAL STATEMENTS

OPINION

We have audited the accompanying Financial Statements of **ALICID ORAGANIC INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Company Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2025, its Profits and cash flows for the year ended on that date.

BASIS OF OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report, Business Responsibility Report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;

v. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

26th July, 2025 Mehsana. ANNEXURE-B to the Independent Auditor's Report of even date to the Members of ALICID ORAGANIC INDUSTRIES LIMITED on the Financial Statements for the year ended 31st March, 2025.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ALICID ORAGANIC INDUSTRIES LIMITED** ('the Company") as at March 31, 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on the Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the standards on auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement in the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that;

- I. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- II. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

III. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion and according to the information and explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The registered office of the company is situated at 207-208, Hanumant Henduva, Behind Pani Purvatha Office, Opp R.T.O, Post Palavasna, Mehsana, Gujarat-384002, India. The company is engaged in the business of recycling, processing, separating, exploring, refining and trading of crude waste, residue, used, burned and natural oil, petroleum products, automotive, oil, Grease, lubricants, industrial oil and machine oil.

2. Significant Accounting Policies:

a) Basis of Preparation of Financial Statements:

These Financial Statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. The Financial Statements are prepared in accordance with the accounting standards notified by the Central Government, in terms of section 133 of the Companies Act, 2013 (the "Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Act /Companies Act, 1956 ("the 1956 Act"), as applicable.

b) Use of Estimates:

The preparation of Financial Statements in conformity with the India GAAP requires the management of the company to make estimates and assumptions considered in the reported amounts of Assets and Liabilities (including Contingent Liabilities) and reported Income and Expenses during the year. The management believes that the estimates used in preparation of the Financial Statements are prudent and reasonable. Future results could differ due to these estimates and the difference between the actual result and estimates are recognized in the period in which the results are known / materialized.

c) Expenses:

The Company provides for all expenses on accrual basis except post-employment benefits or short term compensated absences. The expenses in respect of Group Gratuity and Leave Encashment are recorded when paid.

d) Cash and Cash Equivalents (For Purpose of Cash Flow Statement):

Cash comprises cash in hand. Cash equivalents are cash at bank that are readily available for convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

e) Cash Flow Statement:

Cash flow are reported using the Indirect Method, whereby profit/ (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from Operating, Investing and Financing activities of the company are segregated based on the available information.

f) Property, Plants and Equipment and Depreciation:

Property, Plants and Equipment are stated at cost of acquisition. Cost includes attributable cost incurred for bringing the assets to its working condition for its intended use. They are stated at historical cost less accumulated depreciation.

Depreciation on assets is provided on Written Down Value (WDV) Method on the basis of useful lives of assets as specified in Schedule II of the Act.

Depreciation on Property, Plants and Equipment purchased/acquired during the year is provided on pro-rata basis according to the period each asset was put to use during the year.

g) Investments:

Long Term Investments are valued at cost. Permanent diminution in value of Long Term Investments is provided.

h) Inventories:

Inventories of raw materials, Stock in Trade and finished goods are valued at cost or Net Realizable Value whichever is lower. Cost of Finished goods is calculated after apportioning Direct Factory Expenses on FIFO basis.

i) Impairment of Assets:

The Carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of Impairment based on internal/external factors. An impairment loss is recognized whenever the carrying amount of assets exceeds its recoverable amount. After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

During the year there was no impairment of assets of the company.

j) Borrowing Cost:

All Borrowing cost is expensed in the period they occur. Borrowing cost consists of interest and other cost that an entity incur in the connection with the borrowing of the funds. Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. All other borrowing costs are charged to revenue.

k) Revenue Recognition:

In appropriate circumstances, in a transaction involving sale of Goods, revenue income is recognized when no significant uncertainty as to determination or realization exists where as in a transaction involving sale of services, revenue is recognized in the Financial Year in which transaction takes place.

I) Taxes on Income

- i. Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal / adjustment of timing differences of earlier years.
- ii. Deferred Tax Liabilities is provided during the year, using the liability method on all temporary differences at the Balance Sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes in accordance with mandatory Accounting Standard (AS-22).
- iii. Deferred tax Assets is recognized only to the extent that there is a reasonable certainty that sufficient taxable profit will be available against which such deferred tax asset can be realized.
- iv. Deferred Tax assets and liability are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the Balance Sheet date.

m) Retirement Benefits and other Employee Benefits:

i) Short term employee Benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which employee renders the related service. The company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability. These benefits include salary, wages, bonus, performance incentive etc.

ii) Long Term Employee Benefits

All Employee benefits which do not fall due wholly within twelve months after the end of the period in which the employees render the related service. The company provides for long term employee benefits when they are actually paid.

n) Foreign Currency Transactions:
